Re: Response to Observations – Seven Hills Wind Farm ABP-313750-22, Strategic Infrastructure Development Application

Dear Sir/Madam,

MKO as agent for the above-noted planning application were invited by An Bord Pleanála in their letter dated 25th of January 2023 to make a submission on the observations received in relation to the planning application. The period for responding to the request was extended in agreement with the Board to no later than 5:30pm on the 31st of March 2023.

The client and project team have considered the matters raised in the observations received from statutory consultees, third-parties and Roscommon County Council. A fully detailed response, including appendices and drawings in respect of the request are enclosed with this letter. An electronic copy of the information is also provided for ease.

I trust the enclosed is sufficient for An Bord Pleanála to continue their consideration of the planning application. Should you require anything further please do not hesitate to contact me.

Yours faithfully,

A handwritten signature in cursive script that reads 'Meabhann P. Crowe'.
